

Scale out of 3 triangles:

*Pillars of Student Success noted signify a program's primary focus

Classroom-Based Programs

Programs delivered to students during a traditional school day.

After School

Programs delivered to students outside traditional school hours, including afternoons, evenings, weekends, and summer.

Event-Based Programs

Programs in which students participate a day-long, out-of-classroom, volunteer-led experience.

Entrepreneurial Master Class

(Event-Based)

Age Range: 13-14

Language: Arabic/English

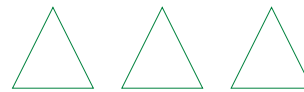

Program Duration: One Day (6 hours)

Students per Group: 50

EMC is an exciting one-day workshop that introduces students to the concept of self-employment and entrepreneurship. It gives them the opportunity to meet an entrepreneur or volunteers from the business community and engage in exciting activities with them that will expand students' horizons and direct their thinking towards their professional future in a fun and interactive way.

Pillar of Student Success

Entrepreneurship

Financial Literacy

Work Readiness
